

MILLENNIUM WRAP PLUS

TECHNICAL DATA SHEET

ITEM NUMBER: 22612-SF

HAND STRETCH FILM

- High performance, environmentally sensitive
- Ultra thin gauge reduces packaging material consumption and material costs
- Protects unitized goods from shifting and moving during transport

FEATURES & BENEFITS

- Cast manufacturing process
- High clarity = proper identification, bar coding
- Consistent film performance
- Excellent puncture resistance
- Superior load retention

TECH SPECS

Gauge(mil)	43
Micron	11
Width (cm)	44.5
Length(ft)	15.00
Case Per Skid	48
Lbs/Case	18.08
